ARRIÈRE-ARRIÈRE-GRANDS-PARENTS

The diagram is a genealogical chart template. It consists of a central horizontal line. On the left end of this line is a box containing the following fields: **Nom**, **Naiss.** (with sub-fields JJ/MM/AAAA and lieu), and **Décès** (with sub-fields JJ/MM/AAAA and lieu). This box is highlighted with a yellow border. From the right end of the central line, a vertical line descends and then branches into two horizontal lines. Each of these horizontal lines leads to a box containing the same fields as the first box: **Nom**, **Naiss.** (JJ/MM/AAAA, lieu), and **Décès** (JJ/MM/AAAA, lieu). From each of these two boxes, a vertical line descends and then branches into two horizontal lines. Each of these four horizontal lines leads to a box containing the same fields: **Nom**, **Naiss.** (JJ/MM/AAAA, lieu), and **Décès** (JJ/MM/AAAA, lieu). From each of these four boxes, a vertical line descends and then branches into two horizontal lines. Each of these eight horizontal lines leads to a box containing the same fields: **Nom**, **Naiss.** (JJ/MM/AAAA, lieu), and **Décès** (JJ/MM/AAAA, lieu). Finally, from each of these eight boxes, a vertical line descends and then branches into two horizontal lines. Each of these sixteen horizontal lines leads to a box containing the same fields: **Nom**, **Naiss.** (JJ/MM/AAAA, lieu), and **Décès** (JJ/MM/AAAA, lieu). The entire chart is designed to be filled out with specific family information.
