

FAMILIE _____

The diagram is a family tree template. At the top, the word "FAMILIE" is followed by a blank line. Below this, the tree is organized into four levels:

- GROSSELTERN (Grandparents):** Two boxes at the top, each containing a "FOTO" placeholder and fields for "Name" and "Geb. TT.MM.JJJJ".
- ELTERN (Parents):** Two boxes in the middle, each containing a "FOTO" placeholder and fields for "Name" and "Geb. TT.MM.JJJJ".
- ICH (I):** A central box in the third row, containing a "FOTO" placeholder and fields for "Name" and "Geb. TT.MM.JJJJ". This box is highlighted with a red border.
- Other Children:** Six boxes in the third row, each containing a "FOTO" placeholder and fields for "Name" and "Geb. TT.MM.JJJJ".

Lines connect the boxes to show the family structure: GROSSELTERN to ELTERN, ELTERN to ICH, and ELTERN to the other children.
